Date of Issue: 3rd November 2011.

Conditions subject to issue: Acceptance of Information detailed in Technical File CST 153181/1/TF.

Declaration: The above product has been manufactured in conformity with the Technical File and may be used under its intended working conditions as required by Regulations 12(2), 14(1) and 14(3).

Issue No: 1. **Valid until:** 2nd November 2016

This document is issued by the Company subject to its General Conditions of Service available on request or accessible at www.sgs.com/terms_and_conditions.htm and, for electronic format documents, subject to Terms and Conditions for Electronic Documents at www.sgs.com/terms_e-document.htm. Attention is drawn to the limitation of liability, indemnification and jurisdiction issues defined therein. Any holder of this document is advised that information contained hereon reflects the Company's findings at the time of its intervention only and within the limits of Client's instructions, if any. The Company's sole responsibility is to its Client and this document does not exonerate parties to a transaction from exercising all their rights and obligations under the transaction documents. This document cannot be reproduced except in full, without prior written approval of the Company. Any unauthorized alteration, forgery or falsification of the content or appearance of this document is unlawful and offenders may be prosecuted to the fullest extent of the law.

This certificate refers only to the sample submitted for test. The CE mark as shown below can be used, under the responsibility of the manufacturer, after completion of an EC Declaration of Conformity and compliance with all relevant EC Directives.
